design e qualità

design and quality

Design contemporaneo ed elegante impreziosito da dettagli sofisticati, armonici equilibri proporzionali, qualità assoluta dei materiali utilizzati, eccellenza delle finiture.

Elementi funzionali che diventano espressione estetica di stile e personalità.

I maniglioni sono una presenza forte ed elegante, grazie alle molteplici possibilità di personalizzazione garantite dalle lavorazioni di alta qualità di Dnd, sono un elemento distintivo che rende unica ogni porta, caratterizza ogni passaggio, sottolinea la qualità del progetto.

Contemporary and elegant design embellished with sophisticated, harmonious details, proportional balances, absolute quality of the materials, excellence of the finishes.

Functional elements that become an aesthetic expression of style and personality.

Pull handles are a strong and elegant presence, thanks to the multiple customization possibilities guaranteed by Dnd's high-quality workmanship, they are a distinctive element that makes each door unique, distinguishes each passage, underlines the quality of the project.

(IN)finito

personalizzazione *customization*

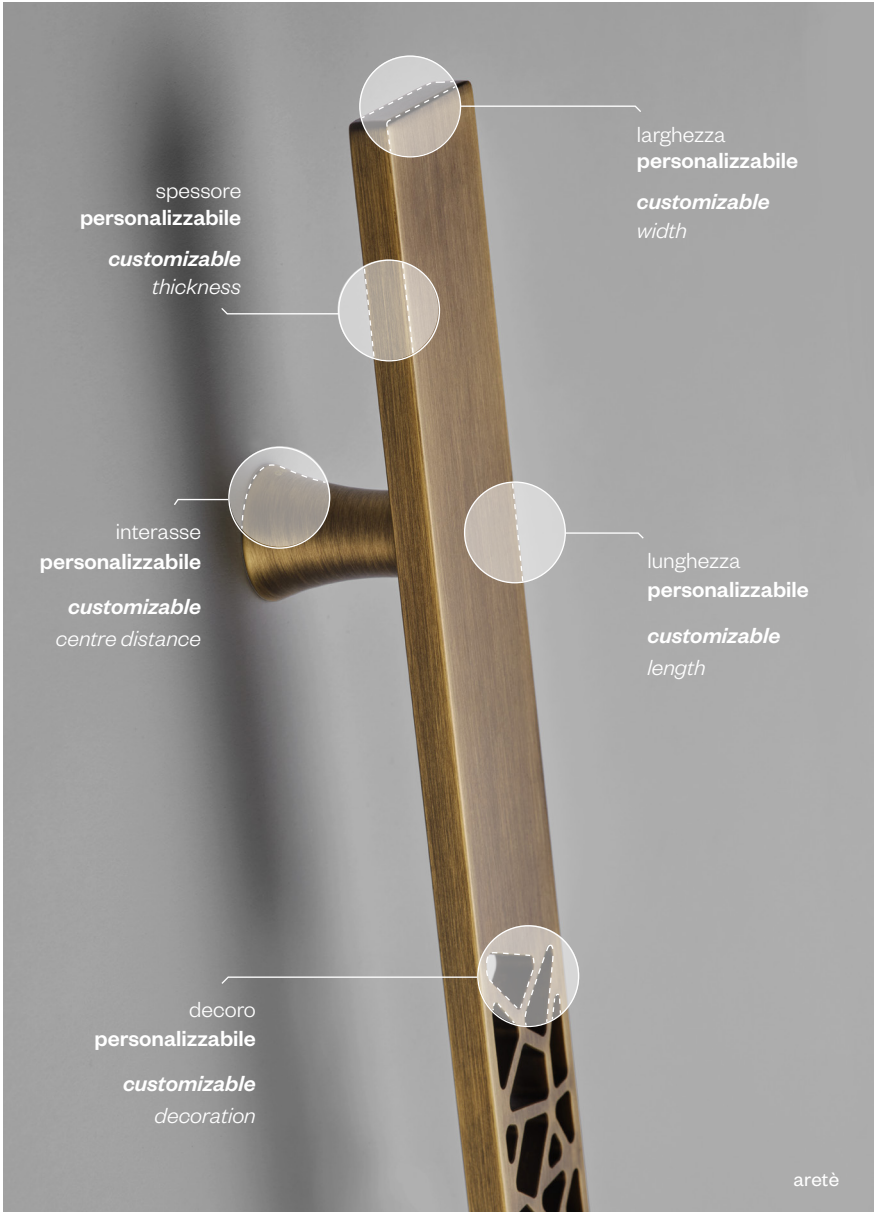

Personalizzazione assoluta e creatività senza limiti per dar vita a elementi che caratterizzano lo spazio e si inseriscono nel mood dell'ambiente.

Le **dimensioni**, gli **spessori**, la **lunghezza**, l'**interasse**, le **finiture**, i **decori** e i **colori** sono **personalizzabili** per soddisfare le esigenze di ogni specifico progetto.

Absolute customization and limitless creativity to create elements that characterize the space and fit into the mood of the environment.

*The **dimensions**, **thickness**, **length**, **centre distance**, **finishes**, **decorations** and **colours** can be **customized** to meet the needs of each specific project.*

forte®

PVD, alta qualità nella tecnologia del rivestimento

forte® è il termine coniato da Dnd per identificare e dare enfasi alla speciale finitura per maniglie che si ottiene grazie alla tecnologia di rivestimento PVD.

Acronimo di **Physical Vapour Deposition**, PVD è una tecnologia di rivestimento per prodotti di alta qualità dalle eccellenti caratteristiche chimiche e tecniche, quali alta durezza, resistenza all'abrasione, ai graffi e alla corrosione.

Un rivestimento che è **perfettamente sostenibile**, a impatto ambientale ridotto e **ipoallergenico**.

PVD: high quality in coating technology

forte® is the term coined by Dnd to identify and emphasise the special finish for handles that is achieved thanks to PVD coating technology.

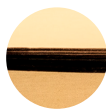

An acronym for **Physical Vapour Deposition**, PVD is a coating technology for high quality products with excellent chemical and technical characteristics, such as high hardness, resistance to abrasion, scratching and corrosion.

A coating that is **perfectly sustainable**, with low environmental impact and it is **hypoallergenic**.
